

## PAPER PLATE PIG

Make your own cute pink pig by following the instructions below. You might even want to decorate your piggy to make it look like Ziggy!

### WHAT YOU'LL NEED

- ★ Paper plate
- ★ Dessert sized paper plate\*
- ★ Pink construction paper
- ★ Pink pipe cleaner
- ★ Black Marker
- ★ Scissors
- ★ Glue
- ★ Googley eyes (optional)
- ★ Hole punch (optional)

*\*If you don't have a small paper plate you can always make a circle with pink construction paper.*

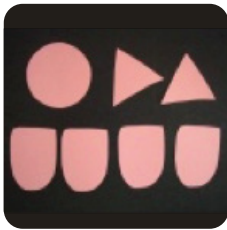

### INSTRUCTIONS

**1.**

Paint both paper plates pink. Glue the small plate onto the large plate, not in the center, but off set (as shown in the picture).

**2.**

Cut out all of your shapes from pink construction paper. You will need: 4 pig feet, 1 round snout, and 2 triangle ears.

**3.**

Glue all of your paper parts onto your pig's body. Glue on your googly eyes (or use a marker to draw them on). Don't forget to draw on your pig's nostrils!

**4.**

Make a hole at the top of your paper plate with a hole punch or scissors. Thread the pink pipe cleaner through the hole and curl it.
