

PIN THE TAIL ON THE PIG

Pin the tail gets everyone laughing. Why not have a go sticking the tail on a piggy! Be careful, because who knows where the tail will end up!

WHAT YOU'LL NEED

- ★ Large pig picture on a wall – *with no tail and a mark where it should be*
- ★ Lots of curly tails made from strips of paper – *named and with sticky tape on the end*
- ★ A blindfold

HOW TO PLAY

1.

Take it in turns. Blindfold the first person and give them their tail to hold – turn them around on the spot 2 times.

2.

Get them to try to stick the tail as close as possible to where they think it should be.

3.

Once everyone has had a turn, the person with the tail closest to the spot wins.
